Please use this template and caia2010.sty to prepare your abstract.

We strongly suggest that it should not exceed one half-page.

You may use environments `proposition`, `lemma`, `theorem`, `corollary`,
`definition`, `remark`, `example` and their *-forms, lists (`enumerate`, `itemize`),
commands `\label`, `\ref`, `\eqref` and `\cite`.

Please, do not use macro commands.

The list of references should be adjusted with `thebibliography` environment.
